Lisa has served in a variety of roles in entertainment production and promotion. She has been not only an entertainer in several musical events and productions, but has also worked to promote successful events and long standing productions through marketing endeavors, advertisement sales, representing the productions as a brand ambassador, hosting events and television programs, and completing voiceover work. She has also hosted her own radio show entitled “True Beauty Moments” on WRAA and WBTX in Virginia. In addition, Lisa is a published author of her book *My Life As A “Girl Singer”*, and possesses excellent written and communication skills.
